

16th Annual APO

If you're reading this, someone who claims to be your friend managed to trick you into attending this event (or worse...RETURNING to this event!). You've traveled hundreds or possibly thousands of miles, spent your hard-earned money, and taken days away from work and/or family, all for what?

To "fellowship" with a group of visually offensive reprobates from across America and to play some great golf courses, eat some fantastic food, drink a little too much and - most of all...to laugh until your sides hurt (and possibly make some new friends). So, now that we've got your money and it's too late for you to back out...

Welcome to the 2013 APO! (ASS PADDLIN' OPEN)

This year's event will be the largest ever with 20 players! We have Five Rookies joining us for the trip this year (Larry Cibulka, Joe Ellison, Jared Buckley, Doug Lineberry and Jim Hennessey), one old favorite (who is a "Founding Father" of the APO) Jeff "Mizer" McSpaden and 14 knuckleheads who have (somehow) managed to get invited back. A hearty "Welcome!" to our Rookies and "Welcome Back" to our Long Lost APO Brother – glad to have you aboard!

I expect the entire APO crew to be on their best behavior and welcome the "Rookies" to our silly event - no touching, poking, prodding or inappropriate behavior (until bidding on the "fresh meat" has been completed).

Enclosed in this note you will find a daily schedule with tee times, games, pairings and which courses we will be playing, along with an explanation as to how each game will be conducted. If you have any questions please feel free to ask me (or any of the veterans) at any time.

At the end of the trip, we ask that each of you log-in to www.asspaddlinopen.net and fill out the survey. This allows us to continually improve each year based on YOUR suggestions (well, not Joe Rosko's suggestions...just everyone else's). I'll send out a reminder once we all get home and ask that each of you take 5 minutes to let us know what you liked, didn't like, and suggestions for improvement. We use this format because the suggestions we get at 11 o'clock at night after we've been drinking since sun-up is no way to get your "brilliant idea" implemented into the event.

On **Sunday** evening we will be having our traditional **Hawaiian Shirt Cocktail Party**. Hawaiian shirts **ARE MANDATORY!** Anyone NOT wearing a Hawaiian shirt Sunday night (Big Daddy!) will have to buy a round Monday for the **ENTIRE GROUP (here's how I know if you've read this far or not)**. All of the participants will get the opportunity to meet each other and a more in-depth explanation of the formats will be given as well as the rules and procedures for each game. (This is when the majority of the "Gingy Lingy Cup" smack talk takes place!)

Instituted by majority rule nearly 10 years ago, the "Pool Day" has become a staple during the APO. Just like in "Caddy Shack," we leave time open in the afternoons so everyone can have a little free time to go to the pool, have a drink, watch Richie perform his World Famous water ballet routine, play "Guess the Mystery Diver" (Hint: it's not Greg Lou-gain-issss) and did I mention we drink as well?.

Meals

Because we will be teeing off (and finishing) late on Saturday, Saturday night's meal will be either at the halfway house or when you finish in the bar (so close to your room you can crawl home). We will have dinner in one of the Treetops Resort restaurants for our Sunday, Monday and possibly Tuesday evening meals (which could continue the tradition of "Pizza Night").

Alcohol

Due to past problems with certain members of our illustrious group, **there will be no alcohol allowed on this trip**. There will also be no cussing, farting, or gambling either. Actually, the only time alcohol consumption is **not** allowed on this trip is while sleeping (participants tend to spill a lot when not conscious).

Since all players will be driving (at some point) to the resort, it is **HIGHLY** recommended that you pick up a bottle of your favorite hooch and snack provisions to consume in the party room (and don't forget to bring an extra bottle along in your golf bag just in case you get thirsty out there). You can purchase mixers from the lovely cart girls and don't forget to tip ("just the tip").

Transportation

Richie will be coordinating the transportation of Ed, Paully, Jim and Guy when they arrive and directing Big Daddy and EZ. Everyone else will be driving themselves to the resort this year (so set up your own transportation with a buddy or two).

Shipping Clubs

Many of the guys who fly like to ship their clubs to the resort so they don't have to transport them on the plane. If you are planning on shipping your clubs and don't have access to a FedEx or UPS account, please contact Mikey to coordinate shipping your clubs to the resort (or to Richie's house).

Check-In

Everyone will be able to check-in Saturday upon arrival. If you're shipping clubs we will get you address info shortly. We will get all golf tickets, breakfast tickets, and room keys. A NOTE for late arrivals: your room keys will be available under Guy's pillow for a small "favor" on Saturday evening.

Note #1: Guy Hoffman will be handling the check-in for all of us at each course.

Note #2: Joe Rosko will have all breakfast tickets.

Check-Out

Each player will need to check-out at the registration desk. If you are shipping your clubs home, please remember to print out an airbill prior to leaving for the APO so you can just slap it on your travel bag and drop it at the registration desk.

CAMERAS

Please bring a camera and **USE IT!** We have gotten some great shots over the years which are posted on the website. They stir up some great memories and help us remember that R-Ichie will only use a tiny umbrella when it rains because it creates opportunities for snuggling.

HELPFUL HINTS (REDUX!)

Editors Note: *We have updated our "Helpful Hints" Section this year as we are moving from the face of the sun to just below the Arctic Circle. With that in mind, please read on and be prepared!*

Once again we've added a special "Pro's Tips" section to many of the "Hints" from our resident Mixologist, Dr. Richard Hale (OB/GYN). I hope you find these helpful.

1. ***BRITISH OPEN CLOTHING!*** It could be cold, hot, cold and hot in one round, have frost, rain and blazing heat. Be prepared to play in shorts, pants, rain jacket, sweaters or a combination of all of the above on any given day. Don't forget your golf umbrella either! ([Richie's Tip: Vodka stains are more obvious on dark rather than light colored clothing](#))

2. **SUNSCREEN!** Sunscreen is STILL a great idea (even though we won't actually have to touch the sun during a round of golf). (Richie's Tip: Wipe your hands after applying sun screen, you wouldn't want the vodka bottle to slip out of your hand)
3. **ALOE VERA!** Nothing feels better and helps cool sunburn better than a rub down with Aloe Vera (except maybe that thing Guy does with the whipped cream...). Bring a bottle for yourself so you don't have to mooch off of me. (Richie's Tip: see number 2. Above)
4. **TWO Pairs of Golf Shoes** (or at least shoe trees to install at the end of the day). Your shoes will be trashed after 27 holes of sweat / dew in them (or, God forbid, "Cart Path Only") and will destroy your feet the next day. Either bring an extra pair, or some shoe trees (or BOTH). (Richie's Tip: Vodka is an excellent remedy to soothe sore feet)
5. **HAWAIIAN SHIRT!** And not the same ratty one you wore last year! This is **AGAIN MANDATORY** for the cocktail party on Sunday night. (Richie's Tip: You can remove vodka stains from your Hawaiian shirt with club soda. Or, if you've had enough vodka, just throw the damn thing away!)
6. **HATS!** Bring big ones and lots of them (refer to item #2 above). I recommend a large hat with flowers or something from the Kentucky Derby (or Will & Kate's wedding) which will work just as well. You may want to bring a few- think chance of rain and keeping dry. (Richie's Tip: I like yellow hats...and vodka)
7. **BATHING SUIT!** The resort frowns upon the "Redneck Bathing Suit" which consists of the same underwear you just played 27 holes of golf in. You will need this for the "Pool Days" as well as for the "fashion show" all new players are required to participate in. (Richie's Tip: The bathing suit is my favorite "vodka drinking" outfit – thongs make me giggle – but only when I'm wearing one)
8. **Aspirin/Tylenol/Advil/Motrin/Benadryl.** Any or all of these. For those of you who don't play this much golf, you will be amazed what dehydration on top of sun stroke on top of 150-200 swings of a golf club will do to your out-of-shape, not-as-young-as-I-used-to-be body. (Richie's Tip: Vodka is an "all natural" healer that not only relaxes muscles but helps get rid of hangovers)
9. **SUNGLASSES!** They do a great job of helping you avoid headaches when it comes to 12 hours of sun pounding down on you and having to squint all day. Oakley's are not required as I have a pink pair with Cinderella on them that I can borrow from my daughter if you forget to bring a pair. (Richie's Tip: After a significant amount of "medicinal" vodka, sunglasses may be the only way to play with your eyes open)
10. **Cash.** Try to bring a nice mix of \$5's, \$10's and \$1's. If everyone shows up with \$20's, it'll be very difficult to make change for those side bets and skins. (Richie's Tip: You'll want plenty of cash...in case you need to purchase more vodka)
11. **Hand towel.** Stick it in your golf bag. If it's hot while we're there, you can put ice water on it and wrap it around your neck or use it to cool your sweaty hands. If it's cold, you can wrap your hands in it to keep warm. Also, an extra dry towel in your bag helps to dry things off when the unforeseen rain shower shows up. (Richie's Tip: Slippery hands make it difficult to hold on to your drink – which of course, contains vodka – and vodka on the ground does no one any good!)
12. **Extra Golf Glove/Balls.** You will wear at least two gloves while on the trip because either sweat or rain will render one useless. Be prepared - and bring plenty of ammo. Golf balls are a little expensive in the pro shops here. (Richie's Tip: Sometimes, when you have had more than your share of vodka, it's hard to find your golf ball. However, usually you won't care at this point – bring extra ammo)
13. **Rain Gear.** It's not unusual to see rain in the morning, afternoon or evening here. ("But never at dusk") Be prepared to play in the rain if there's no lightning. (Richie's Tip: If it's raining, it will dilute your vodka – be prepared to cover your vodka. Also – if there

is lightning, we will be able to go inside and drink more vodka...seems like every cloud has a silver lining!)

14. **Bug Repellant.** Northern Michigan is notorious for BITING FLIES and big mosquitos. Both are hungry and relentless. The flies will bite and draw blood before you even know they're on you. (Richie's Tip: If you get bit by a fly, rub some of your partner's hooch on the bite to stop infection. It's called sharing, learned it in kindergarten. Don't waste vodka on it, use Captain Morgan).
15. **Cool Evenings.** It can get a little chilly in northern Michigan at night. Bring a cardigan/smoking jacket/fleece to keep warm when outside. Treetop's has bars/restaurants walking distance from our lodge rooms where we'll be dining each evening. (Richie's Tip: Be comfortable and warm. While walking in the dark with a vodka cocktail, you don't want to run into a hedge!)

Cell Phones

The "Chris King Cell Phone Rule" will be in effect. Cell phones WILL be permitted during a round. HOWEVER, if a phone rings OR MAKES THAT ANNOYING VIBRATING SOUND in the cart during the course of play, you will be required to buy 1 round of drinks from the cart girl (for your group). Second offense will be a round of drinks for the entire APO group. Third offense will be paying for the drinks for the entire APO group for the rest of the trip.

"The Rules"

The "FREE THROW" – The "Free Throw" has been removed from play at the APO by popular demand. HOWEVER, there are still a number of scenarios where the "Free Throw" IS allowed:

#1: You have taken 3 swings in a bunker and the ball has not yet come out. You are allowed to throw the ball out of the bunker without it counting as a stroke.

#2: You just took 4 putts and lost the hole for your team. You are allowed to throw the ball, as far as you'd like (in any direction) without it counting as a stroke. In fact, you are not required to retrieve the insolent bastard after it has been tossed.

#3: You ARE allowed to throw the ball at your playing partner out of anger if (and ONLY if) the following scenario occurs: You are 3 up with 3 to play. You lose 16 & 17 and then neither you nor your partner are able to hit the fairway on 18 (even after both of you have burned a mulligan). Your best (of 4) drive is deep in the woods and you are forced to chip out. Your team makes 6 and your competitors make 5 to halve the match. They have more annoying wardrobe changes than Cher. Whip a ball at your partner and you will NOT be charged a stroke.

Mulligans – Mulligans will be available for \$5 each with a maximum number of 2 per person. They can be used **ANY TIME** during the APO. Mulligan money will go into the skin pot.

Handicaps – Players will be using 100% of their handicaps for the individual team games. We will use 50% of the TEAM Hdcp for the Modified Scramble, and 25% of the TEAM Hdcp for the 4-Man Scramble. This info will again be in the following pages.

“Winter Rules”- A player may improve his lie anywhere on the golf course with the exception of a sand trap, hazard (water or otherwise), or when it is out of bounds. You are allowed to move your ball 1 club length in any direction to improve your lie **anywhere but in a hazard.**

Out of Bounds/Lost Ball – The normal penalty for these is to go back to the spot you last hit from and re-load. **Out of Bounds will be played as a lateral hazard.** You may drop a ball within two club lengths of **where you think the ball crossed the line** going out. **Lost ball will be played similarly.** After looking for your ball and determining that it is lost, **drop a ball where you believe the ball most likely would have come to rest.** In either case, you may only drop in a location agreed upon by the other team in your group. Add one penalty stroke to your score for each.

“Giving” Putts – Since this is a friendly group we are happy to allow “Gimme’s”. I also expect, as a courtesy to the rest of the field, that only **reasonable putts** will be “given” (and, as a courtesy - 4th putts, putts for 9 and 10 footers for quadruple bogey should also be “given”).

Keeping Score – Please keep the team scores on the “official” score card and any other games you might be playing in your group on a separate card. **Please don’t leave scorecards on the cart. Turn them in to Joe Rosko at the end of each round.**

Rules Disputes - When in doubt, try to follow the rules of golf until we can accept bribes and make a ruling after the round. The Executive Committee has final say in any/all disputes.

Ties – In case of a tie (with regard to awarding the \$\$ for a game), ALL games will be determined by a scorecard playoff starting with the **scores on the number 1 handicap hole** and progressing to the next highest handicap hole until the tie is broken.

Things that aren’t “rules” but should be...

- 1) Don’t ever tell R-Ichie to “speak up”
- 2) Pully should ALWAYS have a clear path to the bathroom
- 3) NEVER let Joe Rosko drive
- 4) NEVER step in a foamy patch near a green or on a fairway
- 5) Press Mike when he’s in the fairway - never say anything when he’s in the woods
- 6) It’s OK to have a boombox playing on the golf course
- 7) If it smells like pooh, looks like pooh, and tastes like pooh, it probably IS pooh
- 8) Billy is NEVER in charge of ordering pizza on Tues night
- 9) Guy will NEVER hit the green on #3 at Caledonia
- 10) NEVER stand behind a Czerepuzsko brother
- 11) Don’t smell Joe Rosko’s morning vest
- 12) Don’t use the crapper on #12 at Pawleys...Hazmat isn’t done in there yet
- 13) Hard boiled eggs + Guy = Energy Solution
- 14) Watch out for spiders in the woods to the right of #15 at Tradition...one day they’re actually going to catch Mikey.
- 15) Like a small child, ALWAYS know where Joe Rosko is before beginning a swing
- 16) NEVER accept a drink from Guy if you have an open flame nearby

And finally...

- 17) NEVER ask R-Ichie if he’ll have another drink...if he doesn’t have a drink it’s because he’s asleep – you’ll wake him

GAMES

Payouts are as follows: Sat = \$100 1st place, \$60 2nd place, \$40 3rd place. Sun (AM) = \$160 1st place, \$40 2nd place. Sun (PM) = \$100 1st place, \$60 2nd place and \$40 3rd place. Mon (AM) = \$100 1st place, \$60 2nd place and \$40 3rd place.

On the final two rounds, the winning 10-man team will split \$400 (and will forever be immortalized on the coveted “Gingy Lingy Cup”).

Skins – Skins will be **NET SKINS**. There is a minimum total of \$200 up for grabs. Additional funds will be available based on the number of mulligans sold at \$5 each (maximum of 2 per player). Skins will be played for all games **EXCEPT** the 2-Man and 4-Man Scrambles. Tuesday night we will count up the total number of skins outstanding and divide that by a minimum of \$200.

NOTE: Side games should be kept on a separate scorecard.

The “Gingy Lingy Cup”

Sunday (PM), Monday (AM & PM), and Tuesday’s (AM) events will pit “East” vs. “West” in a Ryder Cup-style competition. On Sunday afternoon, each 2-Man team will play a “match” against the other team in their group. Each “winning” 2-Man team will get 1 point (ties will be awarded ½ point) toward the overall “Team” (East or West) total. The Sunday Morning Scramble WILL NOT count toward “Gingy Lingy Cup” points.

On both Monday morning and afternoon, each 2-Man team will play a match against the other 2-Man team in their group. Each “winning” 2-Man team will get 1 point (ties will be awarded ½ point) toward the overall “Team” (East or West) total.

Tuesday’s individual matches will be determined by this year’s captains (EZ – West and Ed – East) on Monday Night and will be played at 100% handicap. The Regional Team with the most points at the end of Tuesday will collect the total pot from the last TWO games.

In addition, the winning team will have their team added to the beautiful “Gingy Lingy Cup” which is on display in the Party Room and kept throughout the year in the capable hands of Your Eminence. It is kept on permanent display in the “APO Museum” for all to see in Summerville, S.C. Should you ever choose to visit the “APO Museum” there is a \$5 charge per visitor - the museum is open from 5-5:15pm on Feb 29th.
