

17th Annual APO

“Comin’ Home”

I want to start by thanking all of our APO veterans who suggested a change in venue after 15 years in Myrtle Beach. Going to the North Woods of Michigan last year was a great detour from the “friendly confines” (Chicago Cubs reference) of Myrtle Beach. We were all excited to try something new and while Tree Tops Resort was an interesting change, I think you’ll all agree that “absence makes the heart grow fonder” for Pawleys Island.

Welcome to the 2014 APO! (@SS PADDLIN’ OPEN)

This year’s event will have, for the first time ever, 16 veterans without a single rookie. “Your Eminence” will get the year off from performing his duties of “welcoming” the rookies to the APO but I’m sure he will have something planned to keep us entertained during “Ritual Night”.

In keeping with the APO tradition of trying to constantly improve and try new things, we have shuffled the order of the games this year with a new twist on an old format. It’s important that each of you provide your feedback so we can continue to evolve and improve each year.

Enclosed in this note you will find a daily schedule with tee times, games, pairings and which courses we will be playing, along with an explanation as to how each game will be conducted. If you have any questions please feel free to ask me at any time.

At the end of the trip, we ask that each of you log-in to www.asspaddlinopen.net and fill out the survey. This allows us to make changes each year based on your feedback. I’ll send out a reminder once we all get home and ask that each of you take 5 minutes to let us know what you liked, didn’t like, and suggestions for improvement. We use this format because giving me some suggestion at 11 o’clock at night after I’ve been drinking since sun-up is no way to get your “brilliant idea” implemented into the event.

Friday night’s meal is “on the town” – back to Quigley’s Pint & Pub about ¼ mile from the condos (so close you can crawl home). Dinners will once again be catered on Saturday, Sunday, and Monday evening and we will be having pizza and leftovers on Tuesday night. Richie has chosen a wonderful menu for us again this year. There will be plenty of time after golf to shower, drink beer and to wait for Mike to get done clogging the toilet in Condo A, while our Executive Chef and his staff prepare exquisite meals for us night. It’s like having dinner at your mom’s house (except there’s more farting.....at your mom’s house, I mean).

On **Saturday evening** we will be having our traditional **Hawaiian Shirt Cocktail Party**. Hawaiian shirts **ARE MANDATORY!** Anyone NOT wearing a Hawaiian shirt Saturday night will have to buy a round Sunday for the **ENTIRE GROUP**. Your Eminence will lead us in some “fellowship” and we’ll all share some entirely-too-personal stories during Ritual Night.

Saturday and Monday afternoons have traditionally been designated as “Pool Days” – like in “Caddy Shack”. We leave time open in the afternoons so everyone can have a little free time to take a nap, go to the pool, go to the beach - and with a little luck we’ll get a special visit from the masked, Speedo-wearing 5-time diving champion who will demonstrate the “triple Lindy” (and did I mention we sometimes have a cocktail as well?).

Shipping Golf Clubs

Anyone interested in shipping their clubs to/from home and to/from the resort should contact me immediately to discuss. A number of players do this every year at about \$30 each way via FedEx Ground. This is significantly less expensive (for most of us) than paying the airlines for “oversized” bags. If you would like to ship on your own, the address of the resort is:

Litchfield Beach and Golf Resort, 14276 Ocean Hwy, Pawleys Island, SC 29585, Attention: Schneider Group, 888-766-4633

Alcohol

Due to past problems with certain members of our illustrious group, **there will be no alcohol allowed on this trip**. There will also be no cussing, farting, or gambling either. Actually, the only time alcohol consumption is not allowed on this trip is while sleeping (participants tend to spill a lot when not conscious).

There is a grocery store/liquor store right down the street from the resort. It is HIGHLY recommended that you pick up a bottle of your favorite hooch/beer to drink at the condo and bring one along in your golf bag for the Sunday afternoon “drinking scramble”. You can purchase mixers from the lovely cart girls (be careful, many of them are under aged – for collecting Social Security I mean).

Transportation

Richie, Ed, Tommy and Mizer will be handling transportation on Friday and getting us all to the resort. Please make sure you have sent me your flight info so we can coordinate who needs to be picked up when. Many of the guys ship their clubs to the resort so they don’t have to transport them on the plane. If you need info on this, see note above. Also, **Please try to pack lite (there is a washer and dryer in each condo) so we have minimal luggage to get to and from the airport.** Richie, much like my mother-in-law, gets great satisfaction out of doing laundry each day (yet another reason why we love him, but confirmation that he’s not quite right in the head).

Check-In

Everyone MUST check-in Friday upon arrival. If you’re shipping clubs, they can be picked up at the Litchfield office. This is where you will pay the balance of the trip and will be given parking passes and room keys. (For you late arrivals, your room keys will be available under Guy’s pillow for a small “favor” on Friday evening).

Note #1: Guy Hoffman will be handling the check-in for all of us at each course.

Note #2: Joe Rosko will have all breakfast tickets and all you have to do is sign in each morning at the restaurant.

Check-Out

Each of the 16 players will need to check-out at the registration desk. If you are shipping your clubs home, please remember to print out an airbill prior to leaving for the APO so you can just slap it on your travel bag and drop it at the registration desk.

CAMERAS

Please bring cameras and USE THEM! We have gotten some great shots over the years which are posted on the website. They stir up some great memories and help us remember that Billy and “Little Billy” are always a team and both need sun screen applied liberally on a daily basis.

HELPFUL HINTS (AGAIN!)

Please review the “Helpful Hints” below along with the “Richie’s Tip” (JUST the tip) section provided by our resident Mixologist, Dr. Richard Hale (OB/GYN). I hope you find these helpful.

1. **LIGHT COLORED CLOTHING!** Gary Player was an idiot. Anyone wearing black to try and “keep the heat in” has never been to Myrtle Beach in July. Bring light colored shirts and shorts. (Richie’s Tip: [Vodka stains are more obvious on dark rather than light colored clothing](#))

2. **SUNSCREEN!** Not SPF 2 either. You need SPF 30. You will be in the sun all day and spending quality time hanging out by the pool. You will get fried. (Richie's Tip: Wipe your hands after applying sun screen, you wouldn't want the vodka bottle to slip out of your hand)
3. **ALOE VERA!** Nothing feels better and helps cool sunburn better than a rub down with Aloe Vera (except maybe that thing Guy does with the whipped cream...). Bring a bottle for yourself so you don't have to mooch off of me. (Richie's Tip: see number 2. Above)
4. **TWO Pairs of Golf Shoes** (or at least shoe trees to install at the end of the day). Your shoes will be trashed after sweating in them all day and will destroy your feet the next day. Either bring an extra pair or some shoe trees (or BOTH). (Richie's Tip: Vodka is an excellent remedy to soothe sore feet)
5. **HAWAIIAN SHIRT!** And not the same ratty one you wore last year! This is again **MANDATORY** for the cocktail party on Saturday night. We also like to take a nice photo of everyone in their "finery". (Richie's Tip: You can remove vodka stains from your Hawaiian shirt with club soda. Or, if you've had enough vodka, just throw the damn thing away!)
6. **HATS!** Bring big ones and lots of them (refer to item #2 above). I recommend a large hat with flowers or something from the Kentucky Derby which will work just as well. (Richie's Tip: I like yellow hats...and vodka)
7. **BATHING SUIT!** The resort frowns upon the "Redneck Bathing Suit" which consists of the same underwear you just played 36 holes of golf in. You will need this for the "Pool Days" as well as for the swimsuit portion of the "Mr. Pawleys Island" competition. (Richie's Tip: The bathing suit is my favorite "vodka drinking" outfit – thongs make me giggle – but only when I'm wearing one)
8. **Aspirin/Tylenol/Advil/Motrin/Benadryl.** Any or all of these. For those of you who don't play this much golf, you will be amazed what dehydration on top of sun stroke on top of 150-200 swings of a golf club will do to your out-of-shape, not-as-young-as-I-used-to-be body. (Richie's Tip: Vodka is an "all natural" healer that not only relaxes muscles but helps get rid of hangovers)
9. **SUNGLASSES!** They do a great job of helping you avoid headaches when it comes to 12 hours of sun pounding down on you. Oakley's are not required as I have a pink pair with Cinderella on them that I can borrow from my daughter if you forget to bring a pair. (Richie's Tip: After a significant amount of "medicinal" vodka, sunglasses may be the only way to play with your eyes open)
10. **Cash.** Try to bring a nice mix of \$5's, \$10's and \$1's. If everyone shows up with 20's, it'll be very difficult to make change for those side bets. (Richie's Tip: You'll want plenty of cash...in case you need to purchase more vodka)
11. **Hand towel.** Stick it in your golf bag. During the day, you can put ice water on it and wrap it around your neck. You can't believe the difference this makes. Also very effective for cooling you sweating hands when it's VERY hot. (Richie's Tip: Slippery hands make it difficult to hold on to your drink – which of course, contains vodka – and vodka on the ground does no one any good!)
12. **Extra Golf Glove/Balls.** You will wear at least two gloves during any one round because the sweat (or rain) will render one useless. Be prepared - and bring plenty of ammo. Golf balls are a little expensive in the pro shops here. (Richie's Tip: Sometimes, when you have had more than your share of vodka, it's hard to find your golf ball. However, usually you won't care at this point – bring extra ammo)
13. **Rain Gear.** It's not unusual to see rain in the afternoon here. Be prepared to play in the rain if there's no lightning. (Richie's Tip: If it's raining, it will dilute your vodka – be prepared to cover your vodka. Also – if there is lightening, we will be able to go inside and drink more vodka...seems like every cloud has a silver lining!)

Cell Phones

The “Chris King Cell Phone Rule” will be in effect. Cell phones WILL be permitted during a round. However, if a phone rings OR MAKES THAT ANNOYING VIBRATING SOUND in the cart during the course of play, you will be required to buy 1 round of drinks from the cart girl (for your group). Second offense will be a round of drinks for the entire APO group. Third offense and you will be paying for the drinks for the entire APO group for the rest of the trip.

“The Rules”

The “FREE THROW” – While it’s comeback is gaining momentum, the “Free Throw” – much like croquet style putting - is still outlawed. However, if you take three swipes in a bunker and still can’t get out, you are welcome to throw your ball out and not be charged a stroke.

Mulligans – Mulligans have been PREPAID as part of your APO Fees. Each player gets 2 total mulligans for the entire trip. They can be used **ANY TIME** during the APO. Mulligan money has been put into the skin pot.

NOTE #1: Mulligans **CAN** be used consecutively (i.e., you hit a tee shot into the woods, use a mulligan and blow THAT shot into the woods, you can then use a second mulligan but only after saying at least 3 curse words – unless your partner has whacked you in the knee with his driver and called you a “worthless piece of #*\$&!”)

Handicaps – Players will be using 100% of their handicap for the individual team games. We will use 50% of the TEAM Hdcp for the Modified Scramble, and 25% of the TEAM Hdcp for the 2-Man and 4-Man Scrambles. This info will again be in the following pages.

“Winter Rules”- A player may improve his lie anywhere on the golf course with the exception of a sand trap, hazard (water or otherwise), or when it is out of bounds. You are allowed to move your ball 1 club length in any direction to improve your lie **anywhere but in a hazard.**

Out of Bounds/Lost Ball – The normal penalty for these is to go back to the spot you last hit from and re-load. **Out of Bounds will be played as a lateral hazard.** You may drop a ball within two club lengths of **where you think the ball crossed the line** going out. **Lost ball will be played similarly.** After looking for your ball and determining that it is lost, **drop a ball where you believe the ball most likely would have come to rest.** In either case, you may only drop in a location agreed upon by the other team in your group. Add one penalty stroke to your score for each.

“Giving” Putts – Since this is a friendly group we are happy to allow “Gimme’s”. I also expect, as a courtesy to the rest of the field, that only reasonable putts will be “given.” (As a courtesy – and an effort to speed up play - 4th putts, putts for 9, and 10 footers for “double par” should also be “given”).

Keeping Score – Please keep the team scores on the “official” score card and any other games you might be playing in your group on a separate card. **Please don’t leave scorecards on the cart. Turn them in to Joe Rosko at the end of each round.**

Rules Disputes - When in doubt, try to follow the rules of golf until we can accept bribes and make a ruling after the round.

Ties – In case of a tie (with regard to awarding the \$\$ for a game), ALL games will be determined by a scorecard playoff starting with the **scores on the 18th hole and progressing backward until the tie has been broken.**

Things that aren't "rules" but should be...

- 1) Don't ever tell R-Ichie to "speak up"
- 2) NEVER let Joe Rosko drive
- 3) NEVER step in a foamy patch near a green or on a fairway
- 4) Press Mike when he's in the fairway - never say anything when he's in the woods
- 5) It's OK to have a boombox playing at the golf course
- 6) If it smells like pooh, looks like pooh, and tastes like pooh, it probably IS pooh
- 7) Billy is NEVER in charge of ordering pizza on Tues night
- 8) Guy will NEVER hit the green on #3 at Caledonia
- 9) Don't let Billy get REEELLAAAXXED
- 10) NEVER stand behind a Czerepuzsko brother
- 11) Don't smell Joe Rosko's morning vest
- 12) Don't use the crapper on #12 at Pawleys...Hazmat isn't done in there yet
- 13) Always bring a tiny bottle of sunscreen when playing with Billy and "Little Billy"
- 14) Hard boiled eggs + Guy = Energy Solution
- 15) Watch out for spiders in the woods to the right of #15 at Tradition...one day they're actually going to catch Mike S.
- 16) Like a small child, ALWAYS know where Joe Rosko is before beginning a swing
- 17) NEVER accept a drink from Guy if you have an open flame nearby

And finally...

- 18) **NEVER** ask R-Ichie if he'll have another drink...if he doesn't have a drink it's because he's asleep – you'll wake him.

GAMES

Payouts are as follows: Sat = \$100 1st place, \$60 2nd place. Sun (AM) = \$100 1st place, \$60 2nd place. Sun (PM) = \$160 1st place. Mon = \$100 1st place, \$40 2nd place and \$20 3rd place. Tues = \$100 1st place and \$60 2nd place.

Skins – Skins will be **NET SKINS**. There is \$320 up for grabs. Skins will be played for all games **EXCEPT** the 2-Man and 4-Man Scrambles. On Sunday we will count up the total number of skins out and divide that by \$320.

NOTE: Side games should be kept on a separate scorecard.

The “Gingy Lingy Cup”

Saturday, Sunday and Monday’s events will pit “East vs. West” in a Ryder Cup-style competition.

On Saturday and Sunday (AM), each 2-Man team will play a match against the other 2-Man team in their group. Each “winning” 2-Man team will get 1 point (ties will be awarded ½ point) toward the overall “Team” total. On Sunday (PM) each 4-Man team will have their scores matched against the scores of the other 2 regional teams and will be awarded 1 point for a win and ½ point for a tie.

On Monday, the "individual" match is a combination of stroke play AND match play. Each player plays his own ball and uses his NET score (to eliminate “ball in pocket” or “mystery” scores, the max score for any hole is double par - minus any handicap strokes). Simply turn in your scorecard at the end and the calculations will be done by Joe Rosko.

All scores (NET) are counted for each team and listed in order (lowest to highest) then compared to comparable player on opposite team. The player with the lower of the two scores gets 1 point (ties are awarded ½ pt): **(EXAMPLE BELOW)**

MATCH PLAY

<u>East</u>	<u>West</u>	
Eric Lew (68)	EZ (69)	East 1pt
Paully (71)	JRFB (74)	East 1pt
Ed (73)	Richie (75)	East 1pt

Tommy (80)	BDub (78)	West 1pt
Billy (82)	T-Bone (81)	West 1pt
Rob (82)	Mizer (82)	East ½ pt & West ½ pt
Guy (84)	Mike (83)	West 1 pt

East 3 ½ pts

West 4 ½ pts

A bonus point will also be given to the team with the lowest overall total strokes (it IS possible that one side can fall short in match play but still shoot a lower total and claim the bonus point).

***East gets 1pt for lowest total score**

Example Monday point totals:

East 3 ½ + 1 = 4 ½ pts

West 4 ½ + 0 = 4 ½ pts

Winning the “Gingy Lingy Cup”

The total points won by each regional team will be added up and the team with the most points at the end of play on Monday will win the coveted “Gingy Lingy Cup”. This will be presented during the newly minted “Trophy Dropping Ceremony” (presented by Grey Goose Vodka) on Monday evening.

In a unique twist on an otherwise anti-climactic event, last year’s winning Captain - Ed Kochanek of the East team - was unable to catch each of the individual pieces as the trophy was tossed to him by the Master of Ceremonies, R-Ichie. Let’s hope this year’s winning captain has Nicklaus-like concentration, the arms of an octopus and cat-like reflexes.

The winning team (and Captain) will be immortalized on the Cup which is on display in Condo 1 and kept throughout the year in the “APO Museum” for all to see in Summerville, S.C. Should you ever choose to visit the “APO Museum” there is a \$5 charge per visitor - the museum is open from 5-5:15pm Mon-Fri.

Saturday 7/26

AM 2-Man - One Low Net (100% of HDCP) **“TEE PARTY”**
Tee Times 1:04-1:12pm (Pawleys Plantation) Split Tees (2 groups front/2 groups back)

Payout: 1st place = \$100 2nd place = \$60

TEES – TEE PARTY: All players will rotate among 3 sets of tees. Play will begin on Hole #1 with everyone teeing off from the Blue tees, Hole #2 from the White tees, Hole #3 from the Yellow tees, and then back to the Blue tees for Hole #4 repeating the rotation, etc. (these will be marked on each scorecard).

Each player on the 2-Man team plays his own ball and counts his score (minus any handicap strokes). The best score of the two will be the Team’s “one low net” score. Each 2-Man team is competing against the other 2-Man team in their group in Match Play. The 2-Man team winning the greatest number of holes in their match will be awarded 1 point for their East or West Team or ½ point in the case of a tie.

Each 2-Man team hits a tee shot and the best shot is selected. Both players play from the best tee shot and each player then plays his own ball until finishing out the hole. (On Par 5’s each player hits a second shot from the selected drive, the best second shot is selected and THEN each player plays his own ball out from there). The best net score for the hole is then counted as the team score. Each 2-Man team is competing against the other 2-Man team in their group in Match Play.

However, each 4-Man team will be playing for “Gingy Lingy” Cup points as well. **EXAMPLE:** Group 1 (East Team) plays against BOTH Group 2 (West Team) and Group 4 (West Team).

Payout: Winning 4-Man Team = \$160
